Notice Regarding Acquisition of 100% Ownership of TOHO INDUSTRIAL CO., LTD. through Simplified Share Exchange

YAMAZEN CORPORATION ("the Company") hereby announces that the Board of Directors meeting held today has passed the resolution to carry out a share exchange involving the Company as the wholly owning parent company and TOHO INDUSTRIAL CO., LTD. (hereinafter, "TOHO INDUSTRIAL") as the wholly owned subsidiary (hereinafter, "this Share Exchange"), and a share exchange agreement has been concluded between the two companies, as described below.

This Share Exchange is planned to be executed as a simplified share exchange pursuant to Article 796, paragraph 2 of the Companies Act, and it does not require approval at the general meeting of shareholders of the Company.

In this Share Exchange, as the value of the total assets of TOHO INDUSTRIAL, which will become a wholly owned subsidiary, as of the end of the most recent fiscal year is less than 10% of the value of the net assets of the Company, which will become the wholly owning parent company, and the net sales of TOHO INDUSTRIAL is less than 3% of the net sales of the Company, this disclosure makes partial omission of the items and details of disclosure.

1. Purpose of this Share Exchange

The YAMAZEN Group is developing its business under the vision of improving corporate value as a trading company that supports manufacturing and creates comfortable living space in response to changing industrial structures. This year, the 70th anniversary year since foundation, the Company is working to further improve corporate value by creating new growth strategies based on the policies of the new three-year medium-term management plan **ONEXT YAMAZEN 2018**.

TOHO INDUSTRIAL, meanwhile, was founded 67 years ago, and over that time it has acquired high standards and technological prowess in manufacturing. As a machinery maker in the field of Robotic System Integration that handles the entire process from concept design to manufacture, TOHO INDUSTRIAL has been providing products and services that contribute to the automation and energy-saving needs of customers of diverse industries, such as automobiles, housing, food, and medical devices.

The Company has agreed to making TOHO INDUSTRIAL a wholly owned subsidiary because it intends to further enhance its system integration function, which contributes to improving the competitiveness of its customers by responding to the automation and energy-saving needs of manufacturing plants, and it also wishes to train the personnel who will contribute to these objectives.
